Storyboard

A storyboard is a visual outline of a video. Essentially it is a blueprint for your video so that you know each clip that you'll use and any additional media you'll need to produce to make your final project.

Fill in the following template for your storyboard – use additional pages as necessary. For all clips and images, record where to find them and how the credit for using the image should appear under “Source.” If you need to create the video or image, put “original” under the Source.
